Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Registrant's bylaws provide that it shall indemnify an individual made a party to a proceeding because he is or was a director, against any liability incurred in the proceeding if (1) the individual's conduct was in good faith; (2) the individual reasonably believed that his conduct was in, or not opposed to, the Registrant's best interests; and (3) in the case of a criminal proceeding he had no reasonable cause to believe his conduct was unlawful; provided, however, that (x) in the case of an action by or in the right of the Registrant, indemnification is limited to reasonable expenses incurred in connection with the proceeding and (y) the corporation may not, unless authorized by a court of competent jurisdiction, indemnify an individual (A) in connection with a proceeding by or in the right of the Registrant in which the individual was adjudged liable to the Registrant or (B) in connection with any other proceeding in which the individual is adjudged liable on the basis that he derived an improper personal benefit. In a judicial proceeding under the foregoing clause (y), in order to authorize indemnification, the court must determine that the individual is fairly and reasonably entitled to indemnification in view of all the relevant circumstances. A director is entitled to mandatory indemnification if he was successful, on the merits or otherwise, in the defense of any proceeding, or in the defense of any claim, issue or matter in the proceeding to which he was a party because he is or was a director of the Registrant, against the reasonable expenses incurred by him in connection with the proceeding or claim with respect to which he was successful.

The Registrant must also advance a director expenses under certain circumstances. The Registrant may also indemnify and advance expenses to an officer, employee or agent to any extent consistent with public policy.

The Registrant's articles of incorporation provide that the Registrant will indemnify a director against any liability that may arise as a result of such director contracting with the Registrant for the benefit of himself or any firm, association or corporation in which such director may be interested in any way, provided such director acts in good faith.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See Exhibit Index.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made of securities registered hereby, a post-effective amendment to this Registration Statement:
 - i. To include any prospectus required by Section 10(a)(3) of the Securities Act;
 - ii. To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and
 - iii. To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that the undertakings set forth in paragraphs (1)(i) and (1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such

director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Re: ClearOne Communications, Inc.

Ladies and Gentlemen:

We act as local counsel for ClearOne Communications, Inc., a Utah corporation (the "Company"). We are advised that the Company has prepared a registration statement on Form S-8 (the "Registration Statement") to be filed with the Securities and Exchange Commission (the "Commission") pursuant to the Securities Act of 1933, as amended (the "Securities Act"), relating to 800,000 shares of the Company's Common Stock, par value \$0.001 (the "Shares") to be issued from time to time pursuant to the Company's 1998 Stock Option Plan (the "Plan").

In our capacity as local counsel to the Company we have examined (i) the Registration Statement dated and filed on or about November 13, 2002 and (ii) the originals, or copies identified to our satisfaction, of such corporate records of the Company, certificates of public officials, officers of the Company and other persons, and such other documents, agreements and instruments as we have deemed necessary as a basis for the opinions hereinafter expressed. In our examination, we have assumed the authenticity of all documents submitted to us as originals, the genuineness of all signatures, the legal capacity of all natural persons and the conformity with the originals of all documents submitted to us as copies. We have not examined any certificates representing Shares or other securities and express no opinion thereon. We have not received or reviewed any prospectus (a "Prospectus"). This opinion is limited by general principles of equity as listed in Section 13 of the Third-Party Legal Opinion Report of the Section of Business Law, American Bar Association, 1991 ("Section 13") excluding commentary, which Section 13 is incorporated by this reference, (whether considered in a proceeding at law or in equity). We have not participated in the drafting of the Registration Statement or any Prospectus, we have relied upon the correctness

and completeness of the Registration Statement and we disclaim any opinion regarding the Registration Statement and any Prospectus and take no responsibility regarding the accuracy, completeness or fairness of the statements contained in the Registration Statement or any Prospectus. We render no opinion regarding the Plan or its compliance with applicable law. Further, to the extent securities are to be purchased pursuant to any form of subscription agreement or other contract, we have not received or reviewed such agreements or contracts and we expressly disclaim any opinion based thereon.

Our opinions set forth below are limited to the laws of the State of Utah and we do not express any opinion herein concerning any other laws. Our opinion pertains to the Shares and no other securities.

Based on the foregoing, we are of the opinion that the Company has authority pursuant to its Articles of Incorporation to issue up to 50,000,000 shares of Common Stock. When (i) all corporate action necessary for the issuance of the Shares has been taken and (ii) such Shares have been duly issued and delivered to and paid for by the purchasers thereof in accordance with the terms of the Plan, then the Shares will be validly issued, fully paid and

non-assessable.

We hereby consent to the use of this opinion as an exhibit to the Registration Statement. This Opinion is solely for the benefit of the Company and may not be relied upon by any other person or for any other purpose without our prior written consent.
